Examination in English for Preparatory Schools
Note: Answer all the questions.

Reading Comprehension (20 Marks)

Q1) A) Read this text carefully . (10 M)

A professor of medicine wanted to test his students who were about to be doctors . He told them that in order to be good doctors there were two things most important for them . One was to observe well and carefully and the other was not to be disgusted at unpleasant things . Infront of him was a bowl of dirty dish – water with a bad smell . To test them , he put a finger first in the water and then in his mouth and asked them all to do the same thing . Inspite of the unpleasantness of the water , the students came up one by one and put a finger in the water and then in the mouth bearing the unpleasant test as they could . At the end of it all the professor said " I must congratulate you on all having one of the qualities necessary , but one alone . You do not let horrible things disgust you , but neither unfortunately , do you observe carefully. or you would have noticed that I put my second finger in that water , it was the third one that I put in my mouth. "

Now answer (five) of the following questions :

1. What did the professor do to test his students ?
